**Subject:** I support April 22nd Agenda Item: 11.1 E-Kick Scooter Pilot

Dear Mayor and Council,

Happy Earth Day! 🌍 🌳

Just a quick note to let you know I hope you will support Option 1, under item 11.1 on the agenda this evening, and authorize the Electric Kick Scooter Pilot Project to take place within the district of Central Saanich. While I don't use one myself, I am supportive of initiatives like this that make active transportation accessible to more people so that we can decrease the number of trips taken by personal automobiles in our region.

Thank you,  
Sarah Frumento
