

8045 Arthur Drive  
Saanichton, BC V8M 1V5  
May 22, 2024

Dear Central Saanich Council:

We the undersigned, strongly oppose the Multi-Unit Housing Plan proposed for Marigold/ Lochside Drive neighbourhood.

The increased densification the council are planning will negatively impact our neighbourhood.

Our transportation system is already inadequate to handle the increased traffic. I have had to wait for 2 traffic lights changes before I could turn left on to the highway. What will be the wait time when the 3 buildings complexes are occupied on the Marigold land?

The other issue is the sewage pump on Arthur Drives beach access, the city maintenance crew are already working on it weekly. With your proposal will it be able to handle the compacity?

Please do not continue with the Multi-Unit Housing Plan. Please consider alternatives that protect our neighbourhood from over development.

Thank you

Sharon & Will Keay
