Subject: Major Concerns about Safety for our family regarding the Development Permit Application for 7043 Central Saanich Monday September 9, 2024

To Mayor and Council,

We are very concerned about our safety regarding the access to our property for Emergency vehicles (Police, Fire, Ambulance). The proposed plans show an increase in parking of 150 % from original. With the proposed increase It does not appear that there has been any space created for vehicles, Emergency or others to turn around. We are not opposed to the project, just concerned about our safety.

Thank you for your consideration,

Polla and Mark Savage
[REDACTED] Central Saanich Rd
