Dear Mayor and Council,

I understand that an outdoor pool has been suggested for the parcel of land purchased on Hovey Rd, in addition to constructing new municipal buildings. I am writing in support of the proposal to build an outdoor pool.

As a mother of three school aged kids, one of whom participates in a peninsula swim club, I believe that an outdoor pool would be an asset to our family and our community. It would draw users from across the region since there is no outdoor pool anywhere in the capital region. An outdoor pool is something I often hear parents wish was available locally.

Having another pool facility on the peninsula would also help support strong demand for pool lanes, as I understand that the number of lanes available for our swim club at Panorama was reduced this season due to high demand from other users.

Expanding recreational facilities in Central Saanich would be a big bonus for our community.

Thank you for your time.

Sincerely,
Tarina Verleun
