Good Morning,

I walk my children along East Saanich Rd to attend the daycare on Wallace Dr today my children got yet another lesson. This has been reported to the police but I feel this needs to be seen by council. This is what we deal with every day on top of needles, people in bushes, stolen bikes, and suicide attempts and the near daily visits to the Apartments on East Saanich from Ambulance services.

Thank you Central Saanich Council!

It's time to do better by this community and our children!

There is 9 in total but I didn't need to send all of them. The report has been made.

Jodie
