Dear Mayor Windsor & Council Colleagues,

On August 22, 2024, I was nominated as the NDP candidate for Saanich North and the Islands in the upcoming provincial election on October 19, 2024. It is with mixed emotions that I request an unpaid leave of absence from Central Saanich for the duration of the campaign from September 21, 2024, to October 26, 2024. During this time, I will not attend Council or other committee or board meetings related to my council role or monitor my district email.

I appreciate your consideration of this matter. Following the election, I will advise Mayor and Council of any further steps.

Kind Regards,
