The [REDACTED] next door has started grinding at 6:20pm after trucking in [REDACTED] [REDACTED] I guess they were too busy [REDACTED] to grind on Saturday next to our house like normal. This is totally out of control. No one would stand for this. They are breaking every bylaw from municipal to ALR to Ministry of Environment! Please forward this message to both Mayor and Council even though I will not get a response. Thank you for your time.
