### Message

Dear Mayor and Council,

Can we please have more attention and discussion around the ██████████ complex that is in the heart of our neighborhood. I am an extremely concerned resident as I have a family with two teen boys who I fear having to walk or ride around that area. It has created a very unsafe environment where there are ██████████ without the proper support for safe housing and safe communities. This needs to be addressed and concerned residents are active on social media discussing how horrible this area is. We will start engaging media outlets to have this raised if nothing is being done!
