Hello

This email is a hearty thank you to the Central Saanich staff and council for the construction of the two flashing light pedestrian crossings on East Saanich.

My children and I frequently walk along East Saanich and have used the existing crosswalks often. I was concerned for pedestrian safety, as many cars would not stop. I believe the flashing lights will draw attention to the crossing and increase pedestrian safety.

Thank you very much for installing this much needed safety infrastructure. I think this will encourage more walking and make the neighborhood more pedestrian friendly.

Kind regards
Erica Solberg
