Hello,

Just letting you know they are grinding next to our home again today. Started at 10 am and haven't stopped as I send this email at 3. It's noisy and smells. We have contacted the ministry of Agriculture and spoke to Lana Popham. I will of course send her an email also. Please forward to Mayor and council as well as bylaw. Thank you. Thank you to Nareka Jacques for always responding and passing our complaints on.
