Good morning,

The industrial soil operation next store is running a front end loader next to our house starting at 6 am. It's load and has bright lights that shine into our dining and living rooms. They are moving the piles of grindings they produced yesterday till after 7:30 pm. We know this is not permitted yet no one from the municipality has visited this site. Please forward this to mayor and council and bylaw. Thank you.

Regards
Brett Hourigan
Donna Sorrie
