

Q4 - 2024 TRAFFIC SAFETY COMMITTEE REPORTING

CATEGORY	MEETING DATE	DATE OF CORRESPONDENCE	ITEM #	CONTACT	LOCATION OF ISSUE	REQUEST	ACTION/STATUS/RECOMMENDATIONS	RESULTS
BIKE	5-Dec-24	23-Oct-24	5.1	MF	East Saanich Road from Saanichton Village to Island View Road	no trucks allowed during school hours	closed	bylaws responded outlining that this is a truck route between the hours of 6:00 AM and 7:00 PM.
BIKE	5-Dec-24	20-Nov-24	5.7	MF	East Saanich	no trucks allowed during school hours	closed	same email as 5.1. Bylaws responded.
BIKE	5-Dec-24	21-Nov-24	5.8	ARL	Tanner to Centra Saanich Road	improved safety for young cyclists	closed	The District is actively working with consultants to design pedestrian and cyclist improvements along this section of road. The resident was responded to with this information.
INFRASTRUCTURE	29-Oct-24	29-Sep-24	5.4	BM	1159 Sluggest Road	restoring the road to original state after the sewer project is completed	ongoing	ARL to respond to resident. Paving on this road to be reviewed in conjunction with the annual paving program. Moved on to Brad to consider for 2025 Paving Program.
INFRASTRUCTURE	29-Oct-24	20-Sep-24	5.1	DP	1350 Carriage Lane	widen Carriage Lane to accommodate more traffic into 1350 Carriage Lane	open	Engineering to review options for improvements to Carriage Lane and compare with ALC requirements.
INFRASTRUCTURE	29-Oct-24	7-Oct-24	5.15	BM	7179 Central Saanich Road	east side road shoulder has sluffed into the ditch; requesting review	closed	Engineering has engaged with a geotechnical engineering who is preparing a recommendation report.
INFRASTRUCTURE	29-Oct-24	18-Oct-24	5.17	Eng	Intersection at West Saanich Road and Wallace Drive	advanced left turn signals	closed	engineering matter. DoSC has engaged with a consulting engineer to review improvement options for this intersection.
INFRASTRUCTURE	5-Dec-24	28-Nov-24	5.6	ARL	Bus Stop ID 102040	temporary bus stop during closure	closed	internal engineering review determined that there was not a suitable nearby location for the temporarily closed stop because the next nearest stops at Mt Newton near Whitespot, and Lochside near Furguson. Temporary stop location options would have been too near the other stops to be warranted.

CATEGORY	MEETING DATE	DATE OF CORRESPONDENCE	ITEM #	CONTACT	LOCATION OF ISSUE	REQUEST	ACTION/STATUS/RECOMMENDATIONS	RESULTS
INFRASTRUCTURE	5-Dec-24	27-Nov-24	5.9	MF	Verling Ave near Brynn Road	pothole on Verling Ave near Brynn Road and dirt/soil on Verling Ave from DL Bins	closed	Bylaws has reached out to DL Bins and responded to the resident regarding debris on the road. DL Bins is making improvements to their lot to mitigate debris deposits, and will engage with a street cleaner in the meantime. Public Works is fixing the pothole and Engineering will analyze long term improvement options.
INFRASTRUCTURE	5-Dec-24	4-Dec-24	5.12	MF	Verling Ave near Brynn Road	Request infill of pothole on Verling Ave near Brynn Road and comment about traffic conflict with DL Bins	closed	Public Works is infilling the pothole while engineering reviews long term plan for the damage. Traffic conflicts at this intersection do not warrant intersection redesign at this time. Engineering reviews have yielded two proposed locations for speed humps west of Hilltop Cresc.
NEW CROSS WALK	5-Dec-24	12-Nov-24	5.4	ARL	Lochside Road between Ferguson Road and James Island Blvd	request trimming of hedges and pedestrian pathway on the east side of the road to connect the cross roads	closed	CS to construct section of sidewalk near the bus pad and crosswalk to connect the east and west side of the road.
NEW CROSS WALK	5-Dec-24	15-Nov-24	5.5	ARL	Intersection at East Saanich Road and Wallace Drive	Address near miss experienced while crossing the street here. An elderly driver nearly hit this resident with their car.	closed	Forward to CSPS for enforcement.
PARKING CONCERNS	29-Oct-24	8-Aug-24	5.2	MF	1759 Sean Heights	enforce no parking in the boulevard in front of 1759 Sean Heights	closed	No parking signage placed around the hydrant. Bylaws continues to patrol the area as part of the active bylaw file.
PARKING CONCERNS	29-Oct-24	1-Sep-24	5.6	ARL	Moore Place	parking congestion improvements and student safety on Moore Place	closed	This intersection will be reviewed as part of the CRD's Ready-Set-Roll program and will not be further pursued by the TSC.
PARKING CONCERNS	29-Oct-24	23-Sep-24	5.11	DP	Central Saanich Road	no parking in the boulevard on Central Saanich Road near Mt Newton Cross Road	closed	In November, 2024, DoSC placed "no parking" signage along the western boulevard in this location. No further action required.
PARKING CONCERNS	29-Oct-24	8-Aug-24	5.3	MF	Verling Ave	parking congestion and speed humps and DL Bins	open	design for speed humps prepared; engineering and bylaws to review no parking zones; bylaws connected with DL Bins and resident to address concerns of mud tracking onto the road.

CATEGORY	MEETING DATE	DATE OF CORRESPONDENCE	ITEM #	CONTACT	LOCATION OF ISSUE	REQUEST	ACTION/STATUS/RECOMMENDATIONS	RESULTS
PARKING SIGNAGE	29-Oct-24	16-Sep-24	5.8	DP	Cultra at East Saanich road	"no parking" signage on East Saanich Road (ESR) north of Cultra Ave to improve sightlines for cars turning onto ESR from Cultra.	open	There is a gap in the yellow paint in this location that could be infilled to ensure no parking and improve sightlines. Painting generally takes place in August. This section can be added to the paint plan.
PEDESTRIAN SAFETY	29-Oct-24	24-Sep-24	5.13	MF	East Saanich Road near Island View	trucks driving along ESR during the day and traffic calming	closed	Bylaws has responded; trucks are allowed to use ESR during the day between 6:00 AM to 7:00 PM. The section of ESR between Saanichton Village and Island View Road is not in the 4 year work plan for AT upgrades at this time.
PEDESTRIAN SAFETY	5-Dec-24	6-Nov-24	5.2	ARL	Saanichton Exchange Bus Bay B	track, human defecation, loitering behind bus stop and adjacent properties	closed	CSPS to increase monitoring of this area to help keep it cleaner and discourage loitering. This area is not on public property. Resident has been responded to.
PEDESTRIAN SAFETY	29-Oct-24	23-Sep-24	5.12	ARL	Central Saanich Road south of Mt Newton Cross Road	pedestrian safety in the form of crosswalks, and street lighting; speed humps, and restriction on RV parking	ongoing	Engineering preparing plans for improvement that address the presented concerns. Engineering is in direct communication with Rani who is the Tsawout representative and guiding the group called, "Advocates for Children and Road Safety"
PEDESTRIAN SAFETY	5-Dec-24	2-Dec-24	5.11	MF	Intersection of Wallace and Marchant	fix sight lines at the east side of Wallace and Marchant to improve cycling/pedestrian safety.	closed	Eng and Bylaws to conduct review and issue hedge trimming letters to home owners.
TRAFFIC CALMING	29-Oct-24	3-Apr-24	5.1	ARL	Ferguson Road	Additional traffic calming on Ferguson Road to combat speeding associated with Waters Edge Village	closed	This issue has been discussed before and does not warrant new action. Traffic calming at the entrance to Waters Edge Village is outside of the District's jurisdiction. Requests for a stop sign or traffic calming at the entrance should be discussed with the strata manager. The District has responded to the resident instructing them to communicate with the strata manager. They were informed that Bylaws and CSPS will monitor the area for violations.

CATEGORY	MEETING DATE	DATE OF CORRESPONDENCE	ITEM #	CONTACT	LOCATION OF ISSUE	REQUEST	ACTION/STATUS/RECOMMENDATIONS	RESULTS
TRAFFIC CALMING	29-Oct-24	24-Oct-24	5.9	ARL	Intersection at West Saanich Road at Stelly's Cross Road	four way stop, or some form of traffic calming at this intersection	closed	ARL to respond. DoSC has extremely limited jurisdiction at this intersection because WSR is owned by MOT and Tsartlip is on the north side of the road. MoT told us explicitly that they do not intend to make any changes to this intersection. DOSC cannot change the way Stelly's Cross Road intersects with WSR. The best course of action is for the resident to reach out directly to MoT.
TRAFFIC CALMING	29-Oct-24	6-Sep-24	5.5	ARL	Central Saanich Road	speed humps on Central Saanich Road	open	ARL to respond. DoSC is developing plans for speed humps to address traffic speed concerns on Central Saanich Road between East Saanich Road and Mt Newton Cross Road.
TRAFFIC CALMING	29-Oct-24	10-Sep-24	5.7	ARL	Central Saanich Road	address speed on Central Saanich Road	open	ARL to respond. DoSC is developing plans for speed humps to address traffic speed concerns on Central Saanich Road between East Saanich Road and Mt Newton Cross Road.
TRAFFIC CALMING	29-Oct-24	4-Oct-24	5.14	ARL	Mt Newton Cross Road between WSR and Wallace	additional speed signage and speed humps on Mt Newton east of WSR to discourage speeding on Mt Newton	open	ARL has responded to the resident and explained that we plan to perform a traffic study in the spring to help aid decisions about traffic calming on Mt Newton Cross Road.
TRAFFIC CALMING	5-Dec-24	2-Dec-24	5.10	ARL	Verling Ave	request for speed humps and speed mitigation	open	Verling Ave is posted at 30km/h. Based on available traffic data from 2023, 90% of drivers speed on Verling Ave between 40km/h to as high as 87km/h. Two locations proposed for speed humps installation, also in March.
TRAFFIC SIGNAGE/CHANGE	5-Dec-24	7-Nov-24	5.3	ARL	Intersection of Mt Newton at East Saanich Road	signalization	closed	Central Saanich has engaged a consultant engineering to review options for this intersection and will incorporate options into future workplans and financial plans.
