Subject: Short Term Rentals

You don't often get email from [REDACTED]. [Learn why this is important](#)

By way of introduction, my name is Seymour Settler, I have lived, been a tax payer, raised a family and volunteered in Brentwood Bay for over 30 years.

Currently I am in the process of applying for a Provincial Registration number for a short term rental, and tried to apply for a business licence/number locally with Central Saanich. It is my understanding, that renting a house for 30 days or more, is a permitted use, and therefore no business license is issued.

In order to earn an income and make ends meet my house is on the rental market. At this point I am not sure if the Provincial government is going to grant me a registration number, regardless, my objective of reaching out to you today is to see if Central Saanich would come into line with many other municipalities and provide a system to deal with short term rentals.

I would like to discuss this in the immediate future please.

Best regards

Seymour Settler
