Hello Council,

I am a resident along Island View Road and have concerns regarding the increase in traffic and our current posted speed limit. Due to the popular nature of Island View Beach, traffic in the area is always busy going to and from such a beautiful nature park. However our posted 30km speed limit is often ignored through our neighborhood. It was only a few years ago a horrible accident occurred at one of the turns due to speed, and cars go above 80km daily, race up and down at all hours of the night and ignore the posted 30km limit. This is a road that runs through a farm community, with a growing population of young children. I would like to see council put some thought into speed bumps, speed signs, and some police speed awareness and patrol in the area as there is none.

Thank you for taking the time to read my concerns I have. I would like my name and address to remain anonymous thank you

Kindly,  
[REDACTED]
