Greetings Mayor and Council,

I am writing in support of court #1 in Centennial Park being converted to four permanent, purpose built pickleball courts.

I'm sure Council is aware of this growing sport that provides fun and exercise to many, particularly our more senior population.

Central Saanich could be a leader in providing courts for the many who would use them. Purpose-built would mean permanent nets and court markings making the sport even more accessible.

Please support the motion that would provide these courts to the many citizens of Central Saanich who would be so happy to have them available.

Sincerely yours,

Arlene Antonik
