Subject: Pickleball/Tennis Conversion Stakeholders Meeting

Dear Mayor and Council,

I am writing to confirm my attendance at the successful stakeholders meeting between Tennis and Pickleball that took place on Sunday May 18th, 2025. We (Brad Watson, Cindy Barton of PCPC, and Dave Scott & Vaughn Fraser of the Tennis Club) spent two hours discussing the motion to convert court #1 at centennial park into 4 permanent designated pickleball courts. Brad and I basically duplicated our presentation to council from last council meeting, and at the end of that meeting, we all agreed the discussion was successful.

Brad and I listened and we heard what Tennis wants to see happen moving forward. Furthermore, PCPC has no objections to Tennis' wants. We look forward to further direction from council regarding how we can facilitate the next steps to move the motion forward now that all stakeholders have a sound understanding of the motion.

I want to express my gratitude for the opportunity to be included in the collaborative process. Myself, and members of the PCPC Board of Directors are planning to attend the next council meeting on Monday May 26th, 2025 and make ourselves available to answer any questions or concerns council may have for us.
