Subject: 4 pickleball courts at court 1 in Centennial Park

Categories: Pickleball

Dear Mayor and Council,

I am writing to ask you to support the proposal to convert the tennis/pickleball court to four new dedicated pickleball courts at Centennial Park. I'm sure you are aware there were four great well used courts in Wain Park that were closed by the Mayor of North Saanich leaving no dedicated courts on the peninsula. Pickleball is a very popular activity so there is a huge demand and no outdoor place (although there will be limited space at the new lacrosse box) to play pickleball while there are several tennis courts available. I feel like this proposal supports recreation, community, health and wellness in our neighborhood. Thank you for your consideration.
