Good day Central Saanich,

I am writing in support of the proposed purpose-built pickleball courts, to be installed at Tennis Court #1 at Centennial park. My husband and I began playing pickleball this last winter, and can't believe how much fun we've been having. We were sad to hear that the courts in North Saanich had been closed, as playing outdoors is so enjoyable.

Please keep in mind that for every person who writes in to show their support for this project, there are probably many more who are in support but are too shy to put words to paper.

That said, you will probably hear from every person who disagrees with the proposal, as human nature is to make noise when one is not in support of something but to keep quiet and hope for the best when one is :-)

Thank you for your consideration,

-Tara Cumming-
