To whom it may concern,

I am an active member of the huge local pickleball community. I understand that you are considering the idea of converting one tennis court at Centennial Park into 4 pickleball courts. I cannot express in word how wonderful that would be.

There are hundreds of players - all ages and fitness levels here on the peninsula and spaces are few. Central Saanich is stepping up as a community leader by providing such great amenities for sports and I for one whole heartedly support the conversion of one tennis court to make 4 pickleball courts.

Thanks for considering this!

Sincerely,  
Michele Dolan
