Subject: Support for 4 pickleball courts at court #1 at Centennial Park

Categories: Pickleball

Dear Mayor and Councillors,

My name is Bill Heuman. I live at 7220 Seamount Close in Saanichton. I have recently started playing pickleball regularly. As a senior this has been very good exercise for me and our community members. Presently, I understand there is talk about possibly not building the 4 courts at our new lacrosse box centre in Centennial Park. Presently we as taxpayers have invested in many activities for families and their children, including the lacrosse facility, playground with new water Park and many baseball facility upgrades over the years. While there is seasonal lawn bowling for seniors this can not be done in the winter like pickleball.

I fully support more activities for seniors and youth alike and Pickleball is really safe, fun and really good for aerobic exercise.

Thank you for your consideration and please refrain from making more tennis courts as we have plenty in our community and at panorama.

Bill Heuman.
