Dear Mayor and Council,

I love pickleball and have been playing for five years now. It is a wonderful sport for me to be involved in now that I am retired.

We really need more courts to play on. I find it very frustrating to see empty tennis courts that could be used by pickleball players.

I would be super happy if court number one at Centennial Park could be changed to four pickleball courts.

Thank you.

And thank you for all you do to make our community a better place. It is much appreciated.
