Dear Mayor and Councillors, I am writing this email in support of establishing 4 permanent pickleball courts on tennis court 1 at Centennial park.

I have lived in central Saanich for the past 34 years. I recently retired after more than 30 years as a family doctor on the peninsula and continuous work at Saanich Peninsula hospital. After retirement I discovered pickleball by joining the group at Wain rd park. The group there were were welcoming and there I found not only a social group but also healthy exercise and camaraderie. Unfortunately the courts were locked up and now there are no outdoor permanent courts on the peninsula. I plead with each of one of you to consider making 4 permanent courts where there is one tennis court which is rarely used for tennis at Centennial park.

Thank you for your consideration,
Dr Draga Jovic
