Dear Mayor and Councillors of Central Saanich,

As an active member of the Central Saanich community, I respectfully ask for your support in creating dedicated pickleball courts at Centennial Park. This sport is quickly gaining popularity, and I, along with many others, play it regularly.

Pickleball has been a great way for me to stay active, improve my health, and connect with others. It brings people of all ages together and helps build a stronger, more connected community.

Right now, we often have to use shared or makeshift courts, which limits access and play quality. With proper facilities, more residents could join in, and we could host community events that benefit everyone, especially older adults who enjoy and greatly benefit from the game.

Some residents and clubs are also willing to help cover conversion costs, making this a shared investment in our well-being.

Thank you for considering this proposal.

Sincerely,
Diane Leon
