Dear Mayor and Councillors,

I am a member of the Peninsula Community Pickleball Club and would like to express my support for 4 purpose built Pickleball courts in Centennial Park. There are so many people I know who love to play Pickleball on the Peninsula and Central Saanich, but there are very few places to play. I feel this would be a very positive addition to our community as Pickleball has now surpassed tennis in popularity in North America. It helps people of all ages to stay active and healthy. Thank you for your consideration.
