Dear Mayor and Council,

I'm part of a fun and active pickleball community in Central Saanich and would be so grateful if you would approve the four purpose built courts being voted on during your May 26th meeting.

Pickleball has given many of us an excuse to get great exercise as well as make lifelong friends in our community. I'm 54 years old and for the first time since moving to the Island in 2020, I truly feel like I'm a part of the community.

I know you have a lot of competing interests to balance and I appreciate all you do. I would ask that you vote yes for this proposal given our large representation as members of the community without that representation being matched with available courts.

Thanks very much for your consideration.

With warm regards,

Lauri Thompson
