Dear Central Saanich Mayor, Councilors and Staff: Im writing to request that you provide more pickleball only outdoor courts in Brentwood Bay or Central Saanich. The 2 courts that are at centennial Park are insufficient to keep up with the growing demand of this sport . Pickleball is largest growing sport in North America . There has never been more demand for courts than now, especially since the permanent closure of the Wain Park courts this spring. The multi purpose courts that are planned at the lacrosse box is appreciated in thought but with multi lines on the court they are truly unacceptable as too many lines on a court are extremely distracting. I don't think tennis players would find them acceptable to play their game on either. If there is any place that could accommodate 2 or more courts i would be truly grateful and the additional courts would be respected and appreciated by our community.

Thankyou for taking this request into consideration.

Best regards,

Erin Young
