Dear Mayor and Councillors

I am pleased to report that there is indeed life after municipal politics....on the pickleball courts...well, perhaps not in North Saanich ( kidding...not kidding ).

As a resident of Central Saanich , I have become an active somewhat less than mediocre pickleball player and often play on Court #1 at Centennial Park. I have been advised that it would be quite easy to convert that surface from two courts to four courts. Please consider this request.

Thanks for taking the time to consider this e-mail when this matter comes up on your agenda.
