Attention: Central Saanich Mayor and Council, We are sending this email in support of the Saanich Peninsula Pickleball Association in their bid to have purpose built pickleball courts at the existing tennis courts at Centennial Park. Having been residents of Central Saanich for over 42 years, we have had the pleasure of playing pickleball at Wain Rd, such an excellent facility, now closed do to lack of understanding and support of the fastest growing sport in North America. We have also played in the lacrosse box at Centennial Park and on the beautiful purpose built tennis courts across the street from the park.

We believe if this proposal is passed, there will be a never ending steam of pickleball enthusiasts using this wonderful centrally located outdoor facility.

Thank you in advance for your full attention to this extremely important matter.

Best regards,

Cheryl and Bill Meadmore
