Dear mayor and councilors

The need for these courts is loud and clear!

We don't have any purpose built pickleball courts in central saanich to play on and there is a huge Pickleball community dying to play.

Look at the facts

1. Huge demand
2. Tennis courts available for conversion 3. pickleball association will cover conversion costs.
4. You will make hundreds of peoples mental and physical life's much better .

I would hope that you decide to go ahead with this simple conversion and with some urgency as these are desperately needed.

Thank you
Rob Paton

P.s.

We converted 7 tennis courts into 28 pickleball courts in our community in Palm Desert and all courts are filled with players . These only needed to have posts, nets and paint. There were no other alterations needed.
