Dear Mayor and City Counsellors

I just wanted to add my name and support for pickleball at the multi sports location here in North Saanich. I am in my seventies and I absolutely love the game and it is keeping me fit, has a great social network and support. My doctor even agrees that whatever I am doing - keep doing it is what she advised.

I recently travelled to the Pickleball centre near Langford and it is quite far and if you were going there a couple of times a week, gas would be expensive and I wouldn't be able to afford to go.

This location is close and with the loss of Wain road we are very limited to access to play.

When I play at the Centennial outdoor court, I see very few tennis players anytime I have been there passing by or playing pickle so to lose out on these venues when so many in our community play would be a travesty.

Thank you so much for your consideration.

Regards - Cynthia Remington
