Dear Mayor and Councillors:

I have been playing pickleball in Centennial Park for a number of years now. I have heard that Mayor and Councillors are considering the possibility of making Court 1 at Centennial Park into 4 permanent pickleball courts. I fully support such a transition. Such a transition would give the community the opportunity to enjoy and continue to play pickleball on the Peninsula and still leave enough tennis courts for the tennis players.

Thank you for your consideration of turning this beautiful park into a shared play to be enjoyed by many.
