Hello dear mayor and councillors,

I am writing to you to ask that you please consider making 4 permanent pickleball courts at court #1 in centennial park. I have been playing this sport for 2 years now and have never experienced such fun, fitness and community. The courts are so popular and I feel that this is a really positive use for the community. I know that there is so much contention surrounding pickleball of late, so I appreciate your consideration.

Thank you,
Gillian Abbott
