Dear Mayor and Councillors,

I am writing in support of creating 4 permanent pickleball courts at court # 1 at Centennial Park. We have had 2 courts allocated to pickleball at #1 and they are very much in demand, as there are no dedicated courts on the peninsula remaining since Wain Rd was permanently closed.

I understand court #1 was only offered temporarily until the Multiplex was completed. However, the multiplex availability for pickleball will be very much limited as it is primarily for lacrosse, basketball and hockey ect.

Pickleball is gaining popularity, it is a fabulous sport for all ages and levels of fitness and we desperately need a home here in Central Saanich.

Tennis courts are plentiful here and I am sure the one we have been temporarily using will not be missed.

The local pickleball association will generate all the necessary funds needed to repaint the courts from 2 to 4 playing surfaces and mitigate any sound that may be associated.

Please consider designating court #1 at Central Park to the friendly pickleball community that is out here on the peninsula!

Thank you for your time and support for this endeavour!
