Dear Mayor and
Councillors,

I am glad to hear there was a motion from a councillor at a recent council meeting to convert tennis court #1 at Centennial park to 4 permanent pickleball only courts. I am saddened that fellow players and potential players have no dedicated outdoor facilities in Saanich Peninsula due to the closures at Wain rd. Due to the popularity of pickleball being on a continual rise, the financial funding from the community for this project, and the fact of Raquet and Paddle sports as being among the top activities, for exercise for health benefits , I would without a doubt endorse this proposal and am hoping this motion is passed.

Sincerely,

Victor
