Dear Mayor and Councillors

I am retired and enjoy living in Brentwood Bay. I enjoy playing pickleball at Centennial Park in the summertime. I am also a member of the Peninsula Community Pickleball Club (PCPC) in Central Saanich.

I am concerned that there are currently no purpose-built pickleball courts on the Saanich Peninsula and there are many, many pickleball players on the Peninsula.

I understand that with the multi-sports box being built at Centennial Park, lacrosse will be the primary tenant and that there will be very limited time and access for pickleball due to competition with other sports and Panorama programs.

It would be wonderful to have purpose-built pickleball courts with permanent nets and lines for pickleball only, and not shared with any other sports. The pickleball associations and the pickleball community will finance the conversion; thus no cost to Central Saanich.

It would be wonderful if tennis court #1 at Centennial Park would be converted into 4 x permanent pickleball courts.

Thank you for your consideration,

Mario Montemurro
