Dear Mayor and Councillors

I am a retired teacher living in Brentwood Bay and I enjoy playing pickleball in Central Saanich, especially at Centennial Park in the summertime.

I am concerned that there are currently no purpose built pickleball courts on the Saanich Peninsula and there are many, many pickleball players on the Peninsula.

I understand that with the multi-sports box being built at Centennial Park, that lacrosse will be the primary tenant and that there will be very limited time and access for pickleball due to competition with other sports and Panorama programs.

It would be wonderful to have purpose-built pickleball courts with permanent nets, lines for pickleball only, and not shared with any other sports. The pickleball associations and the pickleball community will finance the conversion; thus no cost to Central Saanich.

It would be wonderful if tennis court #1 at Centennial Park could be converted to 4 permanent pickleball only courts.

Thank you for your consideration,

Linda Polsson
