Dear Mayor of Central Saanich,

Pickleball is a rapidly growing sport. As a result of this popularity, there is a pressing need for more Courts. It is a well known fact that being active and socially engaged, leads to greater mental and physical health. Pickleball is definitely a sport that offers these benefits as it is a sport for all ages and one which is lifelong. I have personally experienced these benefits since becoming a part of this welcoming Community more than 2 years ago. I thoroughly enjoy my time playing with the friends I have made within the Club but I also value the time I can be active with my family including my grandchildren, playing pickleball. I am writing to ask you and Council as a whole, for the support of 4 pickleball courts at the Centennial Courts. Thank you in advance.

Kindest Regards,  
Deryl Comeau
