Subject: Please approve the new pickleball courts

Dear Council Members, please approve the four new pickleball courts which will replace the existing #1 tennis court. Currently there are no purpose built pickleball courts on the Saanich Peninsula

With the closure of the courts in North Saanich the demand for courts is huge. A purpose-built pickleball court has permanent nets, lines for pickleball only, and not shared with any other racquet sports. The pickleball associations and the pickleball community will finance the conversion; thus no cost to Central Saanich.

Thank you for your consideration.

Regards, Charles Parker
