Dear Mayor and Council,

I am writing as a concerned resident and property owner at 1632 Keating Cross Road regarding the proposed rezoning item (Agenda item 13.2 -May 26) listed on the agenda for the upcoming Council meeting on Monday, May 26, 2025.

The notice referencing the Keating Industrial area rezoning, particularly what appears to be Motion R2, is unclear in terms of which properties are affected. Based on the limited information available, it seems possible that my property may be included in the proposed changes.

As my home is within the Urban Containment Boundary, any zoning change could significantly impact current and future use of the property. I am therefore requesting clarification on the following points:

1. Which specific properties are included in the proposed rezoning?
2. What zoning changes are being proposed, and for what purpose?
3. Is 1632 Keating Cross Road included in Motion R2 or any related zoning proposal?

I would appreciate a response prior to the meeting, so that I can be properly informed and prepared to engage if needed.

Thank you for your time and attention.

Sincerely,

Kristy-Lynn & Erik Johnson

1632 Keating Cross Road
